मा. संपादक,

दैनिक तरुण भारत, चंदगड

माडखोलकर महाविद्यालयामध्ये माती व पाणी परिक्षण कार्यशाळा संपन्न

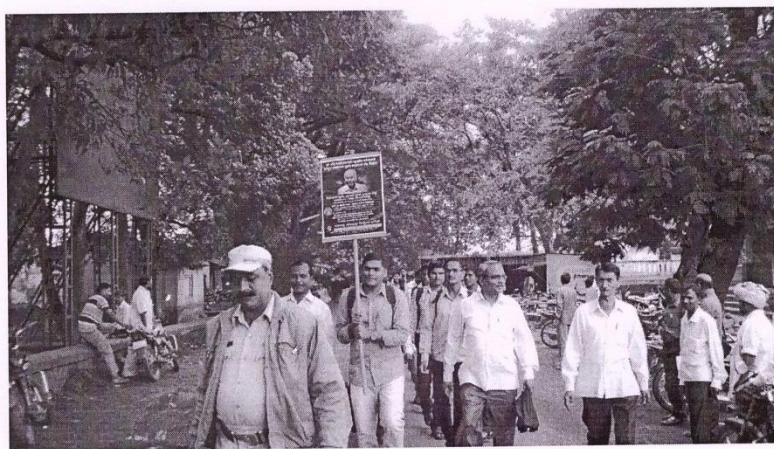

चंदगड : येथील र. भा. माडखोलकर महाविद्यालयामध्ये रसायनशास्त्र विभागांतर्गत सुरु असलेल्या माती व पाणी परीक्षण कोर्स मार्फत तालुक्यातील शेतकऱ्यांना व विद्यार्थ्यांना माती व पाण्याच्या परिक्षणाचे महत्त्व पटवून देण्यासाठी माती व पाणी परिक्षण कार्यशाळा घेण्यात आली. कार्यशाळेचे प्रास्ताविक कोर्सचे प्रमुख प्रा. साळुंके यांनी केले. ते आपल्या प्रास्ताविकामध्ये म्हणाले की, माती व पाणी परीक्षण करणे काळाची गरज आहे. हे ज्ञान फक्त विद्यार्थ्यांना देण्यापेक्षा जे शेतीमध्ये काम करतात त्यांना देणे गरजेचे आहे म्हणूनच ही कार्यशाळा आयोजित केली आहे.

कार्यशाळेचे प्रमुख पाहुणे श्री एस. डी. सुटवत, सहाय्यक कृषी अधिकारी, चंदगड यांनी वृक्षरोपाला जतार्पण करून कार्यशाळेचे उद्घाटन केले. ते आपल्या मार्गदर्शनामध्ये म्हणाले की, माती परिक्षणाचा उद्देश म्हणजे आपल्या शेतातील मातीचे परीक्षण करून त्यातील पिकांना उपलब्ध अन्नद्रव्याचे प्रमाण शोधून काढणे. त्यानुसार निरनिराळ्या पिकावरील खतांचे नियोजन करणे, जमिनीत काही विशेष दोष आढळून आल्यास त्यावर योग्य उपाय शोधणे, पिकांना दिली जाणारी खत प्रमाणांशी न दिल्याने पिकांची जोमदारपणे वाढ होत नाही. तसेच अवश्यकतेपेक्षा जास्त खत दिल्याने अनावश्यक खर्च वाढतो. माती परीक्षण केल्यामुळे आपल्या शेतीच्या अन्नद्रव्याची नेमकी गरज शेतकऱ्याला लक्षात येवू शकते. त्यामुळे खतांच्या वापरात आणि खर्चात बचत होवून पिकांचे उत्पादनही वाढू शकते.

शेतात पाण्याच्या सिंचनासाठी पाण्याचा वापर करतानाही काळजी घेतली पाहिजे. पाण्याविना दुष्काळ पडतो. तर अती पाण्याने शेती बुडते हे ध्यानात घ्यायला पाहिजे. पाणी हे सिंचनाकरिता योग्य कि अयोग्य याचीदेखील तपासणी करून घेणे फायद्याचे ठरते. क्षार युक्त पाण्याने जमिनी खराब होवून नये आणि पर्यायाने उत्पादन क्षमता कमी होवून नये म्हणून पाण्याचे परिक्षण करणे गरजेचे आहे. आपण ज्या शेतीतून पिढ्यान्पिढ्या उत्पादन घेतो त्या शेतीचे आरोग्य जपणे हे एक आपले कर्तव्य आहे. जर काळ्या आईला दीर्घायुष लाभायचे असेल तर पाणी आणि माती परीक्षण याकडे दुर्लक्ष करून चालणार नाही असे मत साधन व्यक्ती प्रा. डॉ. पोरें यांनी कार्यशाळेत मांडले.

TO,

Shri . S.P. Khutvat,

Asst. Agriculture Officer, Chandgad.

Sir,

We are very happy to inform you that , as per our invitation you have come over here and given needful guidance to our students and farmers on “ soil and water analysis” on 23<sup>rd</sup> Jan 2016.

So we are very much thankful for your enthusiastic, active and needful co-operation.

Thanking you.

Yours Faithfully
